ABOUT ME

Passionate about innovating solutions to complex problems through technology, I thrive in collaborative environments. A strong advocate for continuous learning, I actively seek opportunities to expand knowledge and skill sets in the ever-evolving tech landscape.

EXPERIENCE

TechXi, Vadodara — AI/ML

Jan-Feb 2024 - PRESENT

Led multiple successful AI/ML projects at TechXi, integrating cutting-edge algorithms to improve efficiency and accuracy. Specialized in seamless collaboration across teams, contributing to enhanced product features and business outcomes.
